

Please Join us for the
Angel Babies Virtual Walk/Run, April 18, 2020.

Hi everyone, we hope this finds you and your loved ones safe and well.

We continue to think of you, our Angel Babies families, as we approach the 16th Annual Angel Babies Walk/Run knowing that the cancellation of the in-person portion of this event impacts each of you in unique ways. The grief associated with the loss of a baby can feel isolating and this event has served for many years to create an environment of support for our families. During this time our hearts continue to be connected, you are not alone and your precious baby is remembered.

Today we are writing to share with you what we have planned for our "Virtual" event for April 18th. Walk/Run 2020 will be held on the Angel Babies Facebook page, www.facebook.com/angelbabiesofhindshospice/. You can expect to hear from Kathy Cromwell and others close to the Angel Babies program via a video message. Your Hinds Hospice Development and Angel Babies Team members will be doing our own 5K or 2 miles on April 18, we will post selfies and videos to prove it!

Let's share memories and stories, as well as old and new pictures of our families. We encourage you to walk, run, or jog on April 18, post your fitness tracker mileage and/or a video or picture of your family and/or team (with appropriate social distancing, of course) on the Facebook page. If you are a runner, please post your time too!

If you have continued your fundraising efforts, April 18 would be a great day to go online and enter in your gifts. If you need more time, that's fine, as we have extended the window for fundraising through at least May 2020. Donations can be made by clicking [here](#)

We wish we could all be together to see you and share hugs and stories. Know that we will be together in spirit and looking forward to seeing everyone soon. Please watch social media for updates on when Angel Markers and t-shirts will be available.

Your Angel Babies team remains available to you. Please contact the Center for Grief & Healing for additional support (559) 248-8579 or the Development Department for questions related to fundraising. Thank you.

Jeannie Neathery
