## Infertility Support Group

We invite you to join us for a support group designed for singles or couples who are experiencing infertility issues. This support group will provide an opportunity to share, to simply listen, to encourage others and to be encouraged. Our desire is that your feelings are supported by both the group facilitator and group members.

*There is no fee to attend.*

*Please contact the Center for Grief & Healing (559) 248-8579 to register or for more information.*
