

## Pregnancy After Loss Support Group

This support group is designed for parents who are pregnant following a loss. We know that a subsequent pregnancy can bring up many emotions and that it can be helpful to meet and connect with other parents who are in a similar situation. Our facilitator provides emotional support and guidance through topics that relate to pregnancy after loss. We welcome you! *(There is no fee to attend.)*

Regular meetings are held

**1st Mondays of each Month**

**6:30-7:30pm**

*Please contact the Center for Grief & Healing (559) 248-8579 to register or for more information.*
