

Dear Friends,

The journey of grief can bring an array of feelings, and at times, leaves us feeling isolated, uncertain if others can relate or understand. Support groups can provide a safe space to share feelings and experiences and to learn strategies for the journey.

We invite you to join us for our Summer session of Grief Support Groups that begin Tuesday, June 7, 2022. Groups meet for twelve (12) weeks. Our groups are facilitated by trained grief counselors and are specific to the relationship of your loss. Please see the reverse side of this letter to see the different groups that we have to offer.

***Due to COVID-19 public meeting guidelines we may meet in person for support group, or meet via Zoom video conferencing, or transition from one to the other at any time during the scheduled sessions. We encourage you to call for updates, and thank you for your continued flexibility during this time. (If needed, Zoom virtual meeting information will be provided by facilitators upon registration.)***

We welcome you to call with any questions that you might have. **Advance registration is required, and space is limited. Please contact us by phone to register (559) 248-8579 and we will email or mail the necessary paper work to finalize registration.** The fee is \$25.00 per person or \$40 per couple, which covers the 12 week session. *A limited number of scholarships are available, and some programs are offered at no charge thanks to generous community support.*

*Because of space limitations and confidentiality, we regret that we cannot allow guests of participants to attend.*

We look forward to welcoming you to our Grief Support Group Program and hope that you find it supportive during this difficult time.

*We need not walk alone....  
We reach out to each other with love and  
Understanding and with hope....  
We come together from all walks of life,  
From many different circumstances....  
We need not walk alone.
