GALA

Business Partner Opportunities
2024

Our Mission

The mission of Hinds Hospice is to uphold the dignity and ease the suffering of the terminally ill while supporting their loved ones, and those who are grieving.

Event Details

Our Gala is scheduled for Friday, September 6, 2024, at Clovis Veterans Memorial Building. This black-tie event will be the talk of the town!

What Does the Gala Help to Support?

Proceeds from the Hinds Hospice Gala will directly benefit our patients and their families. Hinds Hospice has reached out to patients in Fresno, Madera and Merced counties both in their own homes and in our Hinds Hospice Home in Fresno. We are now at our highest patient census ever, currently visiting over 370 patients and their families. As the area's only independent, non-profit hospice, we rely heavily on donations and fundraising events such as this to continue providing the highest quality end-of-life care to our patients and bereavement support to our community.

Our Values

Require that we pursue excellence and act ethically, professionally, respectfully, compassionately and with integrity.

Our Vision

The Hinds Hospice vision is to be recognized as the premier provider of comprehensive, compassionate end-of-life care, and specialized grief support services, accessible to all.

Our Philosophy

The philosophy of Hinds Hospice is based on our sacred call to serve the physical, emotional, and spiritual needs of those who have a life-limiting illness and those who are grieving. Through our services and with a strong social conscience we believe in:

- Striving to provide comfort, hope and companionship on their sacred journey by affirming their dignity and honoring the wishes of both the patient and the family.
- Maintaining a community of respect and support for our staff and volunteers.
- Responding to the critical need for education on end-of-life issues.
- Raising the community's awareness regarding choices for care, support and bereavement.
- Sharing our hearts and experience with those having the greatest of needs throughout the global community.
